Isotopes and Radiation Division
Virtual Executive Committee Meeting
June 5, 2020
(Notes taken by Kim Burns)

1. Call to order
 - a. Attendance / have a quorum
 - Stephen Lamont, Chair
 - Sam Glover, Vice Chair
 - Kim Burns, Secretary
 - Robert Greg Downing, Treasurer
 - Lin-Wen Hu, Executive Committee Member
 - Igor Jovanovic, Executive Committee Member
 - Lei “Raymond” Cao, Executive Committee Member
 - Jim Bowen, Executive Committee Member
 - Kenan Unlu, Executive Committee Member
 - Jung Rim, Executive Committee Member
 - Brenden Heidrich, Executive Committee Member
 - Derek Haas, Executive Committee Member
 - Robert Steiner, Executive Committee Member
 - Michael Heibel, Executive Committee Member
 - Vaibhav Sinha, Executive Committee Member
 - Robert Penn, Executive Committee Member
 - Kyle Hartig, Executive Committee Member
 - Rebecca Steinman, Board Liaison
2. Approval of previous minutes
 - a. Meetings are included in Attachment 1
 - Motion to approve minutes - Lin-Wen Hu
 - Second – Jim Bower
 - No opposed
3. Chairman’s report
 - a. Merger
 - i. Merger with BMD is now complete, unanimous approval by PDC and ANS Board
 - ii. Election results:
 - Vice-chair / Chair elect: Steve Biegalski
 - Secretary: Kim Burns
 - Treasurer: Greg Downing
 - Executive Committee: Derek Haas
 - Executive Committee: Lin-Wen Hu

Executive Committee: Raymond Cao

Executive Committee: Rob Steiner

- iii. ANS Updates
 - Good discussion w/ Craig Piercy in February, focused on positive roles
Divisions can play going forward, changes to Nat'l and Topical meetings
 - Virtual meeting w/ ANS Pres. Marilyn Kray and Div Chairs
 - Virtual PDC scheduled for next Tuesday
- iv. ANS Meetings Update – positive! ~1300 registered for virtual meeting
 - National meetings: looking for ways to restructure
 - a. Focus more on content that is currently relevant
 - b. Plenary and panel speakers beyond “general interest” and utilities
 - c. Add flexibility to types of sessions (abstracts vs. summaries, panels, posters, etc.)
 - i. Current approach doesn't work well for all divisions
 - ii. Changes coming from the national program committee
 - d. Reduce total number of sessions, move to coordinated tracks to incentivize quality of program over quantity of papers
 - Topical meetings: changes coming...
 - a. Combining topicals to form “super topicals” where it makes sense
 - i. 2 models:
 - 1. combine two related 2 topical meetings
 - 2. hold 2 topical meetings concurrently
 - b. Continue to encourage, and in some cases require embedding
 - i. Regular meetings rotated through at national meetings
 - ii. Combine several topical meetings to form a national meeting
 - c. Move logistics to HQ staff / divisions responsible for technical content
 - i. Divisions would only become responsible for the technical content
 - ii. Might impact MARK and would not be an advantage to move the logistics to headquarters
 - d. Remove structures that incentivize profit over technical content
 - e. Identify creative ways to cover content of meetings that are not well attended
 - f. Some success pushing back on proposed financial structure
 - i. Removes financial advantage for the local division
 - ii. 25% Division /75% national split
 - iii. If the conference goes negative, the division would be responsible for 25% of the losses
 - iv. Need to maintain a buffer in case MARK is impacted by pandemic
- v. Governance and logistics
 - Looking at ways to reduce footprint required for governance

- Increase efficiency and effectiveness
 - a. Smaller number of committees (publications as part of NPC)
 - Alternate times / virtual meetings
 - a. Virtual meetings can be done successfully
 - New process for scheduling
- vi. National meeting logistics
- ANS looking into predictive metrics for meeting locations and attendance
 - a. Determining where meetings may have higher attendance
 - Needs assessment survey to include question on Nat'l meeting locations
 - Looking for TPC volunteers for 2022 Annual Meeting (Phoenix), 2023 Annual Meeting (Indianapolis), 2023 Winter Meeting (Washington DC)
 - a. Send name to Stephen
4. Vice-Chair's report
- a. Need to continue our momentum. Information on the committees is on the dropbox.
5. Administrative Committee Reports
- a. Program (Chair Kenan Unlu and Igor Jovanovic)
 - See Attachment 2
 - National Meetings
 - For Winter 2020 - Some of the attendance may be impacted if the meeting is going to be virtual.
 - Topical Meetings
 - MARC XII – April 2021 (Steve LaMont/Sam Glover)
 - Hit pause temporarily because of COVID-19, but now moving ahead with planning for the meeting
 - Second call for papers expected next week
 - Plan is to have meeting in person – delay if necessary
 - Hawaii has been shutting down tourism so we can get out of hotel contract if travel isn't allowed.
 - b. Membership
 - No update
 - c. IRD Committees – progress in re-establishing
 - Need POCs for Technical Committees for a few still

Technical Committee	POC
Industrial Measurements and Applications	
Nuclear and Atomic Analysis	Sam Glover / Steve LaMont
Radiation Effects	Edward Cazalas
Transuranics	
Safeguards, Forensics, and Non-proliferation	Steve Biegalski
Research Reactors	Joel McDuffy
Isotope Production	Jim Bowen
Neutron Sources, Neutron Beams and Applications	Kenan Unlu
Gamma and Neutron Imaging Applications	Igor Jovanovic

- d. Finance Committee (Treasurer - Greg Downing and Jim Bowen)

- Attachment 3
 - Successfully joined the finances for IRD and BMD
 - Membership is down a little but that was expected
 - Put enhancements of the awards on hold
 - Student support - \$2000
- e. Honors and Awards
- Awards were given this year but Sam was no longer on the call so no details provided.
- f. Position Statements
- From BMD
 - PS 28: Food Irradiation
 - PS 41: Health Effects of Low Level Radiation (joint with RSPD)- Greg Downing representing IRD
 - Still in the works with the radiation protection division
 - From IRD
 - PS 30: US Radioisotope Supply – Lin-Wen Hu representing IRD
 - PS 72: Use of HEU for the Production of Medical Isotopes– Lin-Wen Hu representing IRD
 - Outdated – from 2004/2005
 - Combined these position statements
 - Got input from industry and national lab
 - Update for progress and recommendations
 - Committed to October for draft
 - Will be sent to IRD prior to sending to TPC
- g. Newsletter and Publications (Jim Bowen and Jung Rim)
- Jung sent a draft in April and are waiting on write-ups from a couple people
- h. Website (Secretary – Kim Burns)
- Waiting for write-ups
- i. Students and Young Members
- No update
6. Board Liaison update
- a. Change to the 2022 meeting to Phoenix to negate a large fee with the hotel
 - b. ANS's financial report will include a couple million dollar hit due to the impact of COVID-19
 - c. ANS laid a few people off and shifted people around. Everyone is working virtually right now.
 - d. A decision about Chicago is potentially targeted for August
7. Old Business
- a. No update
8. New Business
- a. Financial impact of failed topicals at the division level.
 - b. Greg brought up that we may want to recommend or track where BMD members went.
 - i. Action: Stephen LaMont – request statistics for where previous BMD members “landed” this year.

- ii. Not sure it was update for the membership form this year based on when the merger was approved.

9. Adjourn

November 17, 2018

(Notes taken by Kim Burns)

The following individuals attended the IRD Executive Committee Meeting. The sign in sheet is included as Attachment 1.

- Stephen LaMont, Chair
 - Sam Glover, Vice Chair
 - Kim Burns, Secretary
 - Robert Greg Downing, Treasurer
 - Steven R. Biegalski, Executive Committee Member
 - Lin-Wen Hu, Executive Committee Member
 - Kenan Unlu, Executive Committee Member
 - Jim Bowen, Executive Committee Member
 - Lei “Raymond” Cao, Executive Committee Member
 - Igor Jovanovic, Executive Committee Member
 - Jung Rim, Executive Committee Member
 - Rebecca Steinman, Board Liaison
1. Stephen LaMont called the meeting to order.
 - a. A quorum was present at the meeting.
 2. Introductions
 3. Approval of previous minutes (Attachment 2)
 - a. No meeting minutes were discussed.
 4. Chairman’s report
 - a. Merger
 - i. Bylaws were approved by the Bylaws & Rules Committee (BRC)
 - Preparedness and early submittal allowing for review prior to meeting aided this approval
 - ii. Tuesday discussion and vote at Professional Divisions Committee
 - iii. Wednesday at 4:35 present to the Board for final approval
 - iv. Shared responsibility on low dose discussion with RPSD has been initiated
 5. Vice-Chair’s report
 6. Administrative Committee Reports
 - a. Program (Chair Kenan Unlu and Igor Jovanovic)
 - Report is included as Attachment 3
 - November 2019 – Washington DC

- Summer 2020 – Phoenix, AZ
- Winter 2020 – Chicago, IL
 - There was significant discussion about having a highlighted technical track at this conference. Ideas for sessions included:
 - Moly-99 – technical session and panel
 - LEU fuel
 - Verification issues with Moly-99
 - Standard reference materials
 - Radiation engineering technical session
 - **Action:** Kanan speak with Paula about the possibility of a highlighted technical track and proposal of a plenary speaker.
 - Additional discussion pertaining to the ANS publications were held.
 - **Motion:** To encourage quality and timely submission of technical content of national meetings, IRD recommends giving divisions the option to move to an abstract based system as an alternate to the current transactions system. This may lead to full peer reviewed papers to be submitted at the time of the meeting as part of the proceedings of the conference. If transactions continue, IRD recommends that the quality of the transactions improve and recommend that they be published in an appropriate ANS journal.
 - Moved - Steven Biegalski
 - 2nd - Jim Bowen
 - All Ayes – Motion Passed
 - **Action:** Kanan will bring up concerns with ANS submissions and transactions at the program committee.
- MARC XII – APRIL 2021 (Steve LaMont/Sam Glover)
- Summer 2021 – Providence, RI
- Winter 2021 Washington DC
 - The potential to bring back Facility Operations Safeguards Interface Meeting at DC 2021 as a joint meeting with IRD & NNPD & Fuel Cycle was discussed.
 - **Action:** Steve Biegalski will start conversation with NNPD and Fuel Cycle.

b. Membership

- No discussion on this topic.

c. Nominating Committee (Immediate Past Chair (Glover) and two members))

- Combined Division Officers
 - Chair: Stephen LaMont
 - Vice-Chair: Sam Glover
 - Treasurer: Greg Downing
 - Secretary: Kim Burns
 - Program Chair Appointment (2020-2024): Kenan Unlu & Igor Jovanovic
- IRD Committees
 - Several people were assigned roles during the meeting.
 - See Attachment 4 for list of IRD committees and current membership.
 - **Action:** Stephen LaMont and Sam Glover set up a doodle poll to solicit

additional support for IRD Committees.

- d. Finance Committee (Treasurer - Greg Downing and Jim Bowen)
 - Treasurer Report
 - IRD treasurer report is included in Attachment 5.
 - Student support for 2019 should be \$1,500 rather than \$1,000 to account for the \$500 of support provided for YPC.
 - An additional \$1000 is expected for memberships.
 - BMD Treasurer report is included in Attachment 6.
 - Student support for 2019 should be \$1,500 rather than \$1,000 to account for the \$500 of support provided for YPC.
 - Combined IRD and BMD Funds (~\$93,000)
 - e. Honors and Awards (Sam Glover, Chair)
 - Vogt Award - Committee reviewed candidates and chose not to award this year
 - IRD Radiation Sciences and Technology Award – Plaque and \$2000 monetary award: Committee selected Prof. Areg Danagoulian of MIT
 - New awards and full funding of existing awards needs further investigation based on outcomes of 1ANS
 - f. Planning (Vice-Chair Sam Glover)
 - No report for this meeting
 - Should continue to hold 2 skype type telecons per year to move business
 - Support of National Meetings – Strategic support by committees
 - Position Statements
 - From BMD
 - PS 28: Food Irradiation
 - PS 30: US Radioisotope Supply
 - PS 41: Health Effects of Low Level Radiation (joint with RSPD)- Greg Downing is the representative
 - PS 72: Use of HEU for the Production of Medical Isotopes
 - From IRD
 -
 - g. Newsletter and Publications (Jim Bowen and Jung Rim)
 - Status of 2019 Fall Newsletter
 - Announcement of combining IRD and BMD, committees major focuses at national and topical meetings
 - **Action:** Jim Bowen and Jim Rung issue newsletter by the end of the calendar year.
 - h. Website (Secretary – Kim Burns)
 - **Action:** Kim Burns contact Joe Koblich about updating IRD and BMD websites. Include note on BMD website about merger with a link to the IRD website.
 - i. Students and Young Members
 - 2020 student conference will be held at NC State University March 26th – 28th.
 - **Motion:** Provide \$1,500 of support for the 2020 student conference.
 - Moved - Steven Biegalski
 - 2nd – Sam Glover
 - All Ayes – Motion Passed
7. 1ANS Update
- a. The 1ANS plan is still changing. Pooling all funds from all divisions is currently on hold.

- b. Topical Meeting Changes
 - i. Status of MARC for 2021
 - Paula has assured us we are grandfathered in for 2021 (no change on how we run it, how we work with Northern Cal, nor that the profits are distributed between National & local & IRD)
 - ii. Distribution of funds from topicals
 - Currently 12.5% comes back to the division for MARC
 - c. National Meeting Changes
 - a. Looking for opportunities to improve the technical quality of the meetings.
8. Meeting Adjourned

IRD Radiation Science and Technology Award

The Isotopes and Radiation Division selected Prof. Areg Danagoulianas as the 2019 Radiation Science and Technology Award for for “technology-critical contributions exploiting nuclear resonance phenomena for warhead verification in nuclear disarmament and nuclear detection techniques in cargo security”. This award consists of a plaque and \$2,000 monetary award. The plaque was presented at the ANS Student Section at MIT.

National Meetings

The Isotope and Radiation and Biology and Medicine Division organized four technical sessions at the 2019 Winter Meeting. A total of 17 papers will be presented in IRD sessions.

IRD Sessions Winter 2019	Organizer
Isotopes and Radiation: General	Jovanovic
Radiation Detection and Imaging I	Jovanovic
Radiation Detection and Imaging II	Ünlü
Biology and Medicine: General	LaMont

One IRD general and one BMD general are planned for the 2020 ANS Annual Meeting, June 7-11, 2020, Phoenix, AZ

IRD/BMD Sessions June 2020	Organizer
Isotopes and Radiation: General	Ünlü
Biology and Medicine: General	LaMont

Please also consider organizing session(s) for the 2020 ANS Winter Meeting Chicago, IL, November 15-19, 2020. If you would like to organize a session, provide a 100 words summary to Kenan Ünlü (k-unlu@psu.edu) or Igor Jovanovic (ijov@umich.edu) via email ASAP.

Lin-wen Hu proposed two sessions

- 1) Advancement in Medical Isotopes Production and Applications – Panel Session
- 2) Progress on High-Density LEU Fuel Development and Reactor Conversion -Technical Session
